C. The Recommendation Letter (*Optional*)

It would be most helpful to us in assessing your nominee, if you would attach a typed statement explaining why you believe this person to be an outstanding candidate for selection as a Fellow in the Effective Leadership Program. Please be as specific as possible about what, in the nominee's professional and/or personal background(s) and contributions to date – either in his or her own right or as a nominee's life partner – leads you to believe in his or her high potential as a leader. Note that, if you are nominating members of committed personal partnerships, both nominees must meet the Program's criteria for selection.

If you are submitting one or more Recommendation Letters, please let the nominee(s) know that you are doing so in order that they count this as one of the two recommendations they must submit with their own application(s).
